Residential on 0.10 Acres

Evanston, Calgary, Alberta

Not all lots are created equal – and this large corner lot stands out.

Located in the heart of Evanston, this 6-bedroom, 4-bath home offers stylish living and incredible versatility for today's smart buyer.

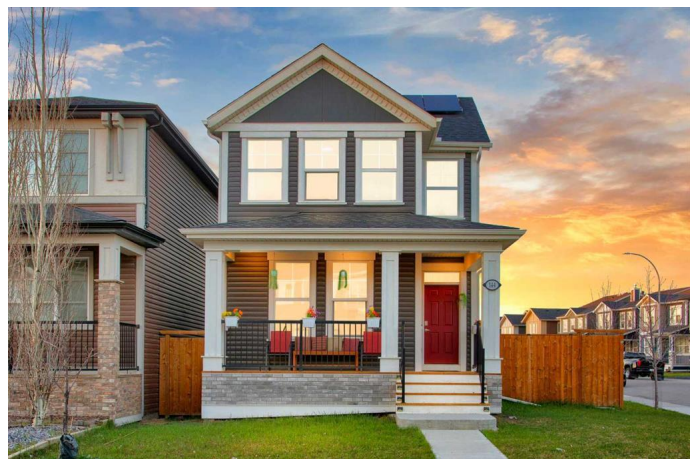

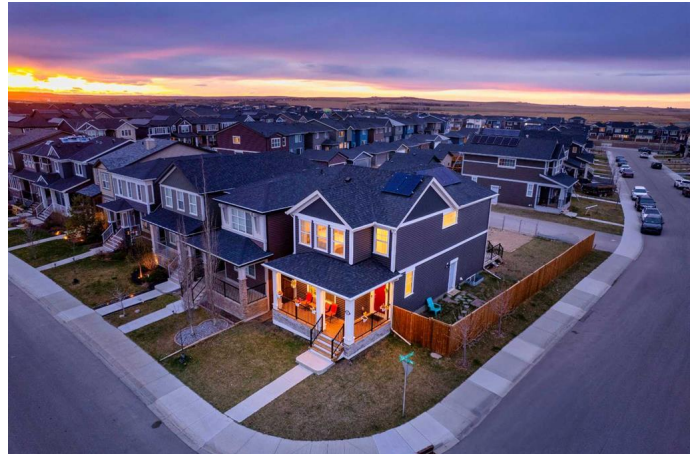

Inside, the main floor welcomes you with a spacious living area, modern kitchen with island, dining nook, and a main-floor bedroom with a full 4-piece bath – perfect for guests or multi-generational living.

Upstairs, enjoy a large primary bedroom with walk-in closet and ensuite, two additional bedrooms, a full bath, convenient laundry, and extra storage.

The fully developed basement includes a 2-bedroom illegal suite with separate entrance, living room, dining space, kitchenette, full 4-piece bath, and private laundry – an excellent mortgage helper.

Outside, the property features a huge backyard with rear alley access, and previously approved plans for a triple garage with a two-bedroom, two-bathroom legal carriage suite.

Please note: Since the permit has expired, any future development of a Carriage House Garage suite would be subject to approval and permitting by the City of Calgary.

Electrical rough-ins have already been started toward the future garage suite, offering a head start for those looking to maximize the property’s long-term value.

Located near top-rated schools, shopping centres, parks, and major routes, this property is a rare opportunity to secure a large lot in a vibrant, family-friendly community. Additionally, a brand-new K-6 school has been announced for Evanston, set to open in fall 2026—making this an even more ideal community for families.
