OPEN HOUSE JUNE 7 & 8 (SAT & SUN)
12PM-4PM. Welcome to this brand-new luxury infill built by MOON HOMES. On a highly desired, quiet, tree-lined street in the heart of Mount Pleasant, offering thoughtfully curated living across all three levels. This stunning 5-bedroom home showcases soaring 10-foot ceilings on the main floor, high-end finishes, elegant architectural details, and premium craftsmanship throughout.

Step through a grand arched front entry into a spacious foyer that sets the tone for the timeless interior design. The open-concept main floor blends classic elegance with modern style, featuring floor-to-ceiling wainscoting, rich hardwood floors, and oversized windows that flood the space with natural light. The dining area is anchored by a designer chandelier, while the chef's kitchen is a true showstopper—featuring a massive quartz island, built-in Frigidaire Professional Series appliances, a custom slat hood fan, bar fridge, and extensive cabinetry with pull-out storage. LED toe kick and cabinet lighting throughout the kitchen—including under floating shelves and inside glass-front uppers—adds both function and drama. The living room centers around a beautifully tiled gas fireplace, and large sliding patio doors open to a rear concrete patio, offering seamless indoor-outdoor entertaining. The mudroom includes bench seating and coat hooks, leading to a stylish powder room with a

floating vanity and pendant lighting. A dedicated home office with a built-in desk and under-lit floating shelves sits just off the entry.

Upstairs, wainscoting continues up the stairs and into a bright hallway filled with natural light. The luxurious primary bedroom features nearly 15-foot vaulted ceilings, cozy carpet, a statement chandelier, a feature wall with full wainscoting, and three upper transom windows that flood the room with even more sunlight. The walk-in closet includes custom shelving with pull-outs and motion-sensor LED lighting in the shelving. The spa-inspired ensuite boasts a barn door entry, dual vanities, a freestanding soaker tub, tiled rainfall shower with bench, in-floor heating, ambient lighting under the cabinets and mirrors, and a private toilet area. Two additional bedrooms each offer walk-in closets and share a 4-piece bath. The upper floor also includes a spacious laundry room with LG appliances, a folding counter, storage cabinets, a deep sink, and a linen closet located near the bedrooms.

The 2-bedroom basement legal suite (subject to permits & approval by the city) includes a private side entrance, full kitchen, large rec room, a modern 4-piece bathroom, and laundry with a built-in sink. With finishes matching the main home, itâ€™s perfect for guests, extended family, or future rental income.

Located just steps from Confederation Park, Mount Pleasant Pool, top-rated schools, and only 5 minutes to downtown. Finished with a detached 2-car garage and paved alley access.
