Welcome to 187 Breukel Crescent â€” A Thoughtfully Designed Home in the Heart of Timberlea.

Located in one of Timberleaâ€™s most family-friendly areas, this custom-built gem is filled with warmth, charm, and updates that make everyday living feel just a little more special. Set on a beautifully landscaped lot with mature trees, this home offers both curb appeal and a peaceful backyard oasisâ€”fully fenced, private, and perfect for relaxing or entertaining. You'll also love the convenience of a large driveway, heated 24x26 double attached garage, and a charming front veranda that invites you in with ease.

Inside, the main level greets you with a spacious tiled entryway that opens into an airy, light-filled sunken living room complete with hardwood floors and a cozy gas fireplace. Overlooking this space is a well-appointed kitchen featuring Corian countertops, tile backsplash, oak cabinetry, a raised breakfast bar, and stainless steel appliances, with the adjacent dining area offering garden door access to your deck and backyard retreat. The main level is completed by two spacious bedrooms and a full 4-piece bathroom that echoes the same high-end finishesâ€”Corian counters and tile flooring.

Upstairs, a small loft area before entering the primary bedroom provides space for a reading nook, or room for morning yoga practice â€”surrounded by windows and bathed in morning sun. Just beyond is your primary

bedroom hideaway: fit for royalty this room offers vaulted ceilings, another second fireplace for added ambiance, a generous walk-in closet and large separate storage area, and a renovated ensuite complete with a walk-in shower and corner jetted tub making this upper level a true retreat.

The fully developed basement provides even more space with a large rec and games area, two additional bedrooms, and an updated 3-piece bathroom with a corner shower—offering flexibility for extended family, guests, or growing kids.

This home has been lovingly maintained with meaningful updates, including a new hot water tank (2022), central air conditioning installed in 2021, shingles replaced in 2014, and a water softener already in place—making it truly move-in ready.

Best of all, the location is ideal: just steps from the Birchwood Trails, outdoor rinks, parks, and directly across from the elementary school—meaning you can literally watch your kids walk to class from your front window.
