This isn't just your ordinary family home... it is elevated! Through the front door you are greeted with a sunken foyer with a closet, and then up a couple steps in to the beautiful main floor. This home has everything your family might need... a large walk through mudroom and pantry just off the kitchen, the perfect size main floor office, a living room with fireplace, and a great size dining room with a built in bench. Large windows surround the main floor and flood the entire space with the best natural light. The kitchen features a great size island, and stainless steel appliances including a built in wall oven, electric cooktop, and dishwasher. You'll note the deck is already on at the back. The half bath is nicely tucked away from your living area. The second floor boasts 2 great size bedrooms with a 4 piece bathroom in the middle, a large bonus room, and then your primary bedroom with ensuite oasis! This ensuite is stunning... a free standing tub, walk in shower, double vanity, and a water closet.
