**ONE-OF-A-KIND GRAND FAMILY HOME â€”  
IMMEDIATE POSSESSION!**

Welcome to this stunning, fully finished executive bungalow offering 1,922 sq ft of luxurious main-floor living, complete with a triple attached garage. Located in one of the cityâ€™s most sought-after neighborhoods, this home is just steps from top-rated schools, shopping, restaurants, the Collicutt Centre, and more! From the moment you enter, the grand foyer draws you into an open-concept layout that impresses with soaring ceilings, exotic hardwood floors, elegant tray ceilings, crown moldings, classic wainscoting, and a cozy double-sided gas fireplace in the sun-drenched living room. A fresh paint palette throughout (including ceilings, except the walls of one smaller bedroom) adds a modern, move-in-ready touch.

The chefâ€™s kitchen is a true showstopperâ€”featuring a massive granite island, gas range, corner pantry, and abundant cabinetry and workspace. A garden door leads to an east facing deck, perfect for relaxing with your morning coffee, and overlooks a fully fenced, landscaped yard complete with a handy shed. The primary suite is a peaceful retreat, showcasing a tray ceiling, an oversized walk-in closet, and a spa-inspired 5-piece ensuite with dual vanities, a luxurious steam shower, and a deep soaker tub. A bright home office with built-in desk and shelving creates the ideal work-from-home space, while the second main-floor bedroom is both spacious

and charming.

The fully finished basement is equally impressive—featuring brand new carpet and paint (excluding one bedroom), a sprawling family/recreation room, two additional large bedrooms, and a huge versatile flex room (has a large window) - perfect for a home gym, gaming room, wine cellar, media room, or additional bedroom. A spacious 3-piece bathroom with a jetted tub adds extra comfort. Additional highlights include central A/C, newer hot water on demand, nice curb appeal, and a quiet, established street in an elite neighborhood.

This home truly checks all the boxes—space, style, comfort, and a prime location.
