NONE, Rocky Mountain House, Alberta

One acre parcel with home, garage and outbuildings, located within town limits and connected to municipal services. The 1179 sq.ft home has been nicely kept and renovated over the years. A large foyer/entrance leads you to the bright living room adjoining the spacious kitchen with hickory cabinetry and the dining room with garden doors leading to the rear deck. A 2 pce bathroom off the laundry room connects you to the master bedroom and also serves as an ensuite. A second bedroom and a full bathroom complete this level. The 32x26 attached garage is insulated, boarded and heated. An older 20x24 garage is nicely set up as a workshop area. The property also includes 4 storage sheds, a wood shed, a large fenced garden area, a pond, and numerous trees and shrubs. The property is located close to a convenience store/gas station and 2 playgrounds.
